

# Parachutes and Air Resistance

Sixth Grade - NGSS MS-PS2-2  
Materials and Additional Resources

## Materials

- Scissors
- Tissue paper or plastic bag
- Ruler
- Tape
- Hole puncher
- String
- Small action figure

## Engineering Design Process

[Identify, Brainstorm, Prototype, Test, Iterate, Share - Engineering Design Process](#)

## Non-Fiction Reading (Newsela is a free platform)

[Parachutes, Gravity and Air Resistance](#)

## Videos

[How Does a Parachute Work?](#)

[How Parachutes Work](#)

## Teacher Resources

[How parachutes work | The science of air resistance](#)

[How Does a Parachute Work?](#)

[parachute - Students](#)

*\*A note about YouTube videos - The listed videos have been previewed, however individual teachers should also preview to ensure content is appropriate for their students.*
